As a volunteer guide for **Ski for Light**, you'll explore the winter outdoors with a skier who is blind, visually or mobility-impaired. Visit [www.sfl.org](http://www.sfl.org) to watch an inspiring video and learn more about how partnering with a disabled skier can help you take your own Nordic skills to the next level.

**2026 SFL International Week:**  
February 1-8 in Granby, Colorado
